## Notes

- {1} White border card with uncorrected game text "Use **2 Force...**". Included in the *Premiere Introductory 2-Player Game* (February 1996)
- {2} White border card with uncorrected game text: "**Owen Lars, Beru...**". Included in the *Premiere Introductory 2-Player Game* (February 1996)
- {3} Redemption program: customers who sent in their copy of R-3PO (with the incorrect image of K-3PO) received a shrink-wrapped version of R-3PO with the correct picture.
- {4} This card only exists with "©1995" instead of "©1996"
- {5} Reprinted version with errata (available through the mail and included in *Scrye 4.4 – November 1997*), originally distributed in a shrink-wrapped pack.
- {6} The game text misses the final word: "... free)."
- {7} This is the only oversized card to be unique (not present in any expansion).
